### **1. Application and enforceability of the general terms of sale**

*These general terms and conditions of sale are brought to the attention and acceptance of each customer, to enable them to place an order with Pierre Marcolini by means of a quote. Consequently, the fact of confirming the order implies full and unreserved acceptance of these general conditions of sale. No special conditions or other general conditions emanating from the customer may, without the express agreement of Pierre Marcolini, prevail over these conditions.*

### **2. Order confirmation**

*The order is validated internally once our teams have received the quotation dated and signed by the customer, the full payment or, failing that, a deposit of 50% of the total amount of the order, the invoicing and delivery information for the order, and any cards that may accompany the order.*

*The quotation is no longer accepted if the validity date of the offer, mentioned on the offer, is exceeded.*
