GENERAL TERMS AND CONDITIONS OF SALE (1/2)

General Terms and Conditions of Sale

Maison Pierre Marcolini

1. Scope and applicability

These General Terms and Conditions of Sale (“General T&Cs”) govern all offers, quotations, order confirmations, sales, and deliveries of goods by Pierre Marcolini Group (“PMG”) to professional customers (“Customer”).

Unless otherwise agreed in writing by PMG, these General T&Cs apply to the exclusion of any conflicting or additional terms proposed by the Customer, even if PMG does not expressly object to them. These General T&Cs form an integral part of any quotation, order confirmation, or agreement between the parties.

These General T&Cs are drafted in accordance with Book VI of the Belgian Code of Economic Law concerning market practices and consumer protection, and shall be interpreted accordingly in B2B relationships.

2. Order confirmation and acceptance

Orders are deemed final and binding only upon written confirmation by PMG, which is subject to the following cumulative conditions:

- Receipt by PMG of the quotation duly dated and signed by the Customer;*
- Receipt of full payment or, at minimum, a deposit of fifty percent (50%) of the total order value;*
- Provision of all necessary invoicing and delivery information;*
- Where applicable, submission of accompanying materials (e.g., cards or personalisation requests).*

Quotations remain valid only until the expiration date stated therein. PMG reserves the right to reject any order due to product unavailability, incomplete or incorrect information, outstanding payments by the Customer, or for any objectively justified reason.

Given the perishable nature of the products, the right of withdrawal under Article VI.53 of the Belgian Code of Economic Law does not apply. Once an order enters production or packaging, no cancellation is permitted and amounts already paid are non-refundable.

3. Prices and Taxes

All prices are expressed in euros (EUR), exclusive of VAT. The applicable VAT rates are:

- 6% for food products;*
- 21% for non-food items (e.g., sleeves, cards, bags) and delivery charges.*

Prices are those in effect on the date the quotation is signed. PMG reserves the right to adjust prices annually after the initial twelve (12) months of the Agreement. In the event of substantial and unforeseeable increases in raw materials, transport, or energy costs, PMG may revise prices mid-term, subject to advance written notice and justification.

Delivery costs depend on the destination, weight, and volume of the shipment.

4. Payment on order, deposit and cash payment

Orders must be paid in full, or be accompanied by a deposit of at least fifty percent (50%) before production commences, unless otherwise agreed in writing.

Invoices are payable at PMG’s registered office in Brussels by accepted non-cash means (e.g., bank transfer), unless otherwise expressly agreed. The Customer is not entitled to withhold payment or apply deductions, set-offs,

or suspensions unless expressly approved by PMG in writing.

PMG does not accept cheques or cash as valid methods of payment.

In case of delayed payment, statutory late payment interest and fixed compensation as provided under the Belgian Law of 2 August 2002 on combating late payment in commercial transactions shall apply automatically and without prior notice.

5. Products unavailability

Product availability is indicated at the quotation stage and confirmed upon order acceptance. All orders remain subject to PMG’s production planning and stock levels. PMG reserves the right to adjust the confirmed quantity in case of justified production constraints, with proportional adjustment of the invoice.

6. Delivery of products

The actual delivery date will be confirmed by PMG based on the order's complexity, production schedule, and seasonality. A minimum lead time is required from the date of order confirmation and payment receipt.

For multi-address orders, no changes (e.g. delivery date, recipient, product selection) will be accepted within five (5) working days before the dispatch date.

The Customer bears full responsibility for providing complete and accurate recipient information (including name, address, door code, floor, telephone number, email). PMG is not liable for failed or returned deliveries due to errors or incomplete information.

Delivery is deemed complete once the products are delivered to the address provided by the Customer. Risk of loss and deterioration transfers to the Customer at that moment.

In the event of non-delivery due to recipient absence or incorrect address, PMG will contact the Customer to arrange redelivery. All related costs, including shipping and product replacement, will be borne by the Customer.

PMG does not deliver on Saturdays, Sundays, or public holidays. Deliveries are available to the following countries: EU member states, United Kingdom, Switzerland, Norway, Liechtenstein, Iceland, Canada, and the United States.

7. Claims and Acceptance

Upon delivery, the Customer must inspect the goods and verify conformity with the order. Any visible defect, shortfall, or damage must be reported to PMG in writing within seven (7) calendar days of receipt, accompanied by supporting documentation (e.g., delivery note, photographs).

Absent such notification, the goods shall be deemed accepted without reservation.

8. Shelf-Life and Storage

The shelf life is clearly indicated on each product's packaging. PMG guarantees the quality and freshness of its products until that date, provided they are stored in their original packaging in a cool (4°C to 18°C depending on the product), dry place, protected from light.

9. Limitation of Liability

Except in the case of fraud, wilful misconduct, or gross negligence, PMG's liability shall be limited to the value of the relevant order (unless otherwise specified in the sales agreement between the parties). PMG shall not be liable for indirect, consequential, or immaterial damages such as loss of profit, loss of clientele, or reputational harm.

10. Miscellaneous

- **Confidentiality:** *The Customer agrees to treat as confidential all non-public commercial, technical, or pricing information provided by PMG and not to disclose such information to third parties without PMG's prior written consent.*
- **Intellectual Property:** *All trademarks, logos, and brand elements remain the exclusive property of PMG. The Customer shall not reproduce, modify, or use any PMG intellectual property without prior written approval.*
- **Force Majeure:** *PMG shall not be liable for any failure or delay in performance due to force majeure events, including but not limited to natural disasters, pandemics, strikes, government actions, transportation or supply chain disruptions, or other events beyond PMG's reasonable control.*
- **Governing Law and Jurisdiction:** *These General T&Cs and all agreements concluded under them shall be governed exclusively by Belgian law. Any dispute shall fall under the exclusive jurisdiction of the courts of Brussels, including the Justice of the Peace of the 7th canton of Brussels, unless another jurisdiction is mandatorily required by law.*
